

# 7'0" Door & Sidelite Solutions

Fiberglass & Steel Door Systems

**THERMA TRU**  
DOORS

Where Home Begins.™

Stylish options to reach new heights.

# Reach new heights.

The Therma-Tru® door and sidelite portfolio includes popular styles in 7'0" height that are ideal for new and existing homes with taller ceilings.

Held to Therma-Tru's high standards for quality and performance, you can create smart and stylish solutions for front entry, patio, house-to-garage and utility doors. Choose options to complement the home's architecture and homeowner's sense of style. Select from wood-grained and smooth doors with a variety of inspired glass designs that reflect the trends.

That's where the beauty of choosing Therma-Tru begins.

## Classic Craft® Visionary Collection™

Explore a curated collection of artfully inspired doors with a modern flair. The Visionary Collection showcases streamlined designs with remarkably authentic wood grains and is part of our Classic Craft series of premier engineered-to-last entryways.

Uniquely designed by Therma-Tru, Classic Craft complete entryway systems are backed by an industry-leading 1x transferable lifetime limited warranty from the entry door brand building professionals choose most.\* This comprehensive lifetime limited warranty can be transferred one time to a new owner, should you ever sell your home.

### Walnut Grain

Crafted to reflect the prized hardwood of the mighty Black Walnut trees, these doors feature a horizontal grain with natural movement accented by delicate arches and cathedrals.

\*Brand Use Study, 2022 *Builder* magazine.

Note: See your Therma-Tru seller or visit [www.thermatru.com](http://www.thermatru.com) for details on limited warranties and exclusions, and ENERGY STAR qualified products.
