It's for those with Pinterest boards named Beachy Keen and Casa Couture. It's trim, doors, and wall and ceiling treatments that reflect the trends of today, for those who live in the now. Option {M}® has the room accents to give Shabby Chic its relaxed, casual attitude. And the finishing elements to help you tell your Bohemian story. Option {M} refreshes often – with both modern looks and standards that will stay around for a while. So turn all those photos and pins into reality, and watch as your room becomes the one everyone starts sharing.

METRIE option

The most popular trends,
reimagined by our top designers.

We deconstructed these on-trend styles to understand the inspirational elements – a swatch of fabric, a memorable photo, stunning artwork, patterns and antique furnishings. Then, we paired them with Option (M)[®] interior finishings – moulding and interior door combinations that make it easy for you to find your design voice, and bring your room to life.

Go with our combinations, or mix and match your own.

These rooms were designed to feature popular décor styles.

Flip through our pages and explore your options, because with Option (M), any look is possible.

6 new traditional

Classic gets a facelift in a look that asks you to start your own tradition.

Not an old, stuffy tradition, but something fun that everyone loves.

Use accents sparingly to let your subtle sophistication shine.

14 shabby chic

Relax. Put your feet up. This style isn't worried about a few scratches or dents.

They add character and speak to a life well-lived, leaving room for new memories to be created.

22 modern farmhouse

Balance the busy day-to-day with simple, organic elements to create a down-home feeling. Be inspired by rustic charm even if you don't have to wake up at the crack of dawn.

30 bohemian

Colorful fabrics. Persian rugs. Photos from your last jaunt to Europe. You're a free spirit and your home is your canvas. There are no rules in this uninhibited décor style – you wouldn't follow them anyway.

36 vintage industrial

Bring together the old and the cool. History is not lost in this space, it's repurposed – exposed brick, uncovered metal structures and I-beams. These elements become design features in this modern, urban style.

new traditional

Sophisticated, not stuffy. Elegant, yet relaxed.
This style is a study in harmonious contradictions.

STYLE IS TEMPORARY.

TASTE

IS FOREVER.

Traditional, sloping curves with modern bevels at each end of the crown moulding connect wall to ceiling in a clean, classic way. Bright yellow accents bring a sophisticated touch to gray walls, while bronze furnishings and animal prints merge contemporary with traditional.
